

## **Dennis Beck, MD, FACEP Joins the American College of Emergency Physicians Coding and Reimbursement Faculty**

Dennis Beck, MD, FACEP has joined the faculty of the ACEP Coding and Reimbursement Conference. The conference, which is held annually in the winter, brings together nationally recognized experts who are actively involved in educational, regulatory and legislative processes. The faculty provides real world strategies for groups and hospitals to maximize reimbursement.

Topics that Dr. Beck will present at the January 23 – 27, 2012 conference include:

- Case Study: Charting a Course to Coding a Chart
- Critical Care Coding
- Hot Topics and Lightning Rounds
- Advanced Coding Case Study Workshop
- Open Forum: Specific Coding Concerns Addressed
